WELD
PROFESSIONAL WELDING SERVICES

Specialising in Copper and Steel boiler repairs

Our skills have been built up over the years and all of our certifications to standards. We hold Welding Codes and a set of Welding procedures for **Copper & Carbon Steel**, approved by **British Engineering Services & Lloyds** in accordance with BS EN ISO standards.

Whether you need a quick repair or detailed modification we are available on site or mobile 7 days a week. We take great pride in our work and provide X-Ray quality welding. Our heritage and industrial boiler welding

repairs are carried out to the highest standards of coded welding. We can supply a certificate plate and specialise in flanged and welded fire boxes. For more details of our work and abilities please check out our web site.
